Statement of Interest

I value my time as a volunteer in my local community and look forward to continuing to support the important programs funded by the Vermont Bar Foundation. As a member of the legal community here in Vermont, I have had a chance to meet several of the poverty law fellows and have been impressed by their commitment to addressing issues facing our cities and towns, as well as their innovative approaches to assisting low-income Vermonters with their legal needs. I would be honored to serve a third term on the Vermont Bar Foundation Board of Directors.
